

Plan 4 District 4

Master Plan for Santa Rosa County District 4

Santa Rosa County invites you to the second District 4 Master Plan Public Open House to review land use alternatives prepared using the input collected from you. Come out and provide your feedback to help us determine a preferred land use alternative for the future of District 4.

Participants at the Open House will be guided through stations that present the potential land use alternatives for District 4. Input will be collected from participants to guide development of the Master Plan.

Members of the consultant Master Plan development team will be on hand to take comments and answer questions.

Your input will help develop the ideas that will guide the community towards a desired future.

YOU ARE INVITED

Public Open House #2

for Santa Rosa District 4 Master Plan

Date: Monday, June 11, 2018

Time: Between 5:30 – 9:00 p.m.
